TO RECEIVE REPORTS FROM MEMBERS THAT REQUIRES ATTENTION IN THE AREA

The bus shelter area at Pen-y-ffin requires some cleaning the pavement is covered with moss which could be a hazard and also the kerb stones which form the splay from the B4310 - B4300 could do with some weed killer to stop the heavy growth of weeds and general tidy up.

Councillor Glenn Jones expressed his concerns for the heavy traffic travelling traveling Swansea road which is the road from Llanarthne to the National Botanical Gardens. His concerns are for the surface of the road and the reports of several near misses with large vehicles in the village. County Councillor & Community councillor Mrs C. A. Davies reported that the road is to be resurfaced within the next year. It was suggested that if the problem continues then it would be a good idea for the community council to write an official letter to the vehicle companies in order to express their concerns officially, also some nice polite signs designed by school children were suggested asking the vehicles to slow down as approaching the village.
